

Thank you to our parents and families for the love and support. Thank you to our coaches for all the time you have devoted to us to help mold us into the young men that we are today, both on and off the field. To our teammates, best of luck in the years to come. As we begin to wind down this chapter of our lives, we look back on the memories we've created and look forward to what our future holds. We are excited to begin the next chapter of our lives.

We are RAMnation!

LAKE MARY LACROSSE 2020

SENIOR NIGHT

Quinn McKercher

I have been part of the team all 4 years of high school. After graduation, I plan to get my MBA and play lacrosse at Nazareth College. First and foremost, I'd like to thank my parents for always putting me in a position where I can succeed in all aspects of life, but especially when it comes to lacrosse. Maybe just as equally, I'd like to thank my siblings for giving me someone I can compete against as well as look up to, as you guys are my best role models. Lastly, all my coaches for giving me a shot on the field to win and my teammates for being my favorite people to spend time with and play lacrosse. My advice for next year's team, shut up and stop complaining, everybody's got problems. My favorite memory was starting an attack line my sophomore year with my brother Braeden.

Tyler Guthrie

I have been part of the Lake Mary Lacrosse team all 4 years of high school. After high school, I will be attending Florida Southern College to study Cybersecurity and play lacrosse - Go Mocs! I would like to thank my coaches, family and friends for all the love and support they have shown me throughout the years. My advice for my teammates is to get the ground balls! My favorite memories are watching Coach Gary dance after one of our games and beating Lake Brantley in overtime.

Andrew
“Ping”
Pingalore

I have been part of the Lake Mary Lacrosse team all 4 years of high school. After high school, I will be attending Florida State University and major in Finance. I would like to thank my parents, David and Tara Pingalore, God and my coaches for their support. My advice for future players is to put in the extra time during the off season, it always pays off. My best memory was winning the 2019 District Playoff game in overtime.

Ethan
Shannon

I have played for the Lake Mary Lacrosse team all 4 years of high school, 3 years as a Varsity starter. I will be attending the University of Florida in the Fall and plan to major in Electrical Engineering. I would like to thank my family for all the sacrifices they have made to allow me to be successful in lacrosse. My advice for next year's team would be to play like it will be your last time, to be coachable and to have the team's best interest in mind. My favorite memory is beating Lake Brantley at their place 2 years ago and silencing all of their fans.

Chase Strait

I have been on varsity, as a starter, for the past 3 years at Lake Mary. I was on varsity freshman year as a starter at Apopka High School. I plan to attend St. Leo University next year to play lacrosse. I would like to thank my family and coaches who have gotten me where I am today. My advice for next year's team is to take in every moment and become the best player you can be because this goes by quick. My favorite memory was the hidden ball trick against Lake Brantley with Ryan Paquette.

Ben Hellein

I have played on the team for 3 years. I plan to attend Florida State University to further my education. I would like to give special thanks to both of my parents but especially my dad for the constant support and for displaying his care for the game by taking pictures at many of the games. My advice for next year's team, I would say give it everything you have now because if you haven't, you will regret it when it's gone. My favorite memory is during my sophomore year when the team traveled to Stoneman Douglas to compete and I jokingly bought one of their shirts after winning a crazy game.

Nick
Rappa

I have been on the team for 3 years. I would like to thank my coaches for all their hard work and dedication. After high school, I plan to continue working and going to Seminole State to take business courses. I would also like to thank my parents for coming to each and every game and always giving me a positive attitude. I have many funny and great memories that I can't just pick one.

Jake
Langevin

I started playing lacrosse freshman year and continued playing on the team for all four years. I have played Varsity for the last 2 seasons. I will be attending the honors college at Florida State University majoring in biology. I would first like to thank my parents for always supporting me in all my endeavors including lacrosse. Also, my girlfriend Abby and the rest of my friends that show up to support for the games. Finally, the coaches that dedicate their time and life to ensuring that we are as prepared as possible to succeed. My advice for next year's team, always listen to exactly what the coaches are teaching. Coach Robinson's scouting reports are practically the other team's playbook so always trust what he is coaching. My favorite memory is rushing the field with the team after beating Brantley for the District Championship game.
